BAHRIA UNIVERSITY ADMISSION CALL TO INTERNATIONAL STUDENTS FOR ENROLLMENT IN SPRING 2021 SEMESTER

Dear Excellency,

1. Bahria University presents its compliments and profound regards to the esteemed High Commission of Democratic Socialist Republic of Sri Lanka and is pleased to share that we are in the process of recruiting international students for the Spring 2021 semester.

2. To briefly introduce; Bahria University is a multidisciplinary public sector university that is offering undergraduate and postgraduate programs to international students in various disciplines including Business, Electrical Engineering, Computer Engineering, Software Engineering, Computer Sciences, Earth & Environmental Sciences, Humanities & Social Sciences, Law, Maritime Studies, Psychology, Media, and Medical & Dental Studies.

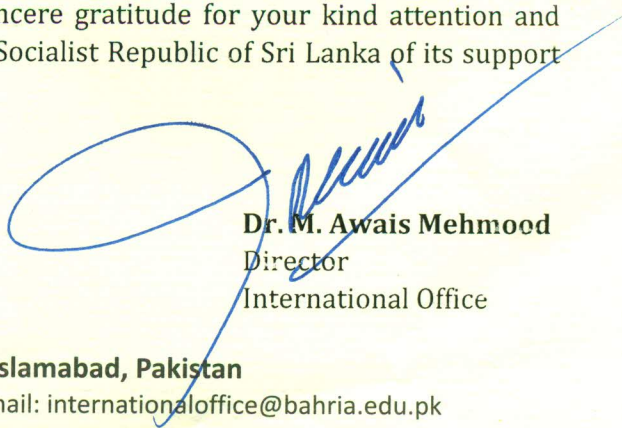

3. In line with its vision of excellence in education and research, Bahria University firmly values and believes that higher education is the ultimate instrument for attainment of excellence ensuring a promising global future. As a practical demonstration of its vision to an exceptional extent, Bahria University promises exclusive facilities to international applicants, which includes:

- Waiving-off the admission application fee*
- Tuition fee equivalent to local students*
- Same eligibility criteria as that of the local students
- Online application process

**except medical and dental programs*

4. Bahria University welcomes the opportunity to accommodate aspiring applicants from the Republic of Sri Lanka. We hope that this write-up, to your honorable excellency, will be materialized through dissemination of the information on our admission call to colleges/institutes in the Republic of Sri Lanka. The interested students can apply online by **30th of Nov, 2020**, using the web-link (<https://bahria.edu.pk/isa/>)

5. Bahria University would like to express its sincere gratitude for your kind attention and assure the esteemed High Commission of Democratic Socialist Republic of Sri Lanka of its support and consideration at all times.

Dr. M. Awais Mehmood
